How Habitat Works

Through volunteer labor and tax-deductible donations of money and materials, Habitat builds and rehabilitates simple, decent housing with the help of partner families at no profit, financed with affordable, zero-interest mortgages. The homeowner's monthly payments are recycled into a revolving *Fund for Humanity* that is used to build more houses. Homeowners invest hundreds of hours of their own labor to build their Habitat home and the home of others.

How Families Qualify

Habitat for Humanity International has a series of checks and balances for determining partner families and ensuring their success. To see if your family, or a family that you know, qualifies for a Habitat home, please contact our Family Selection chair, Jill Smith at (814) 598 - 1687 or mckeanhabitat@gmail.com.
